Watch Care & Service Options

SEIKO

SINCE 1881

Taking care of your watch

Let our experts take care of your watch; our UK Watchmakers and Customer Service team have over two hundred years of combined experience.

We'll be delighted to talk you through the requirements of your timepiece – this price list is intended as a guide only; each piece is unique and we look forward to discussing yours.

Please note, we can only accept watches by post.
